

March 2007 SenioRx/Wellness Public Service Announcement

Individuals 55 years of age and over can learn interesting facts on what Food Labeling and Calorie Awareness really mean from the SenioRx/Wellness Program sponsored by your local Area Agency on Aging. The program offers information on living with chronic illnesses and provides free prescription medication to those who qualify. Call 1-800-AGE-LINE (1-800-243-5463) or ___SRX Coordinator___ at your local AAA at phone number for more information.
